TOUR GUIDE TO:

Tallahassee

FYI, it can get hot here!
So wear sunglasses,
wear sunscreen,
and drink lots of water.

It can also rain any time.
So carry an umbrella.
If you don't have one
then make a friend who does!

As hot as it is outside, it
can get quite cold inside.
So wear layers & even
carry a light sweater/jacket.

Tallahassee is a big city,
but it has a small town feel.
So be prepared for a
slower pace.
